THE GREAT GAME OF POLITICS

By FRANK R. KENT

The Truth Should Be Told

Washington, July 26.—THE MORE the facts accumulate about the loans of Elliott Roosevelt, some of which, it is charged, were arranged with the help of his father and all of which, at the request of his father, were settled at a very low rate, the more curious it seems there should not come from Elliott Roosevelt, Mrs. Roosevelt, any member of the Roosevelt family or any of the numerous militant and aggressive journalistic and political Roosevelt friends, spokesmen, subordinates and sycophants, in the Senate or out, anything in the way of denial, statement or explanation.

MR. WESTBROOK PEGLER, the columnist, who first revealed the facts about the loan of \$200,000 to Elliott by Mr. John Hartford, president of the Atlantic and Pacific Tea Company, and of Mr. Roosevelt's telephone conversation with Mr. Hartford before the loan was made, which could be interpreted as solicitation, continues weekly to elaborate and expand the charges, offering additional evidence using names, dates and figures. Mr. Hartford publicly has confirmed Mr. Pegler's facts about his loan and his conversation with the late President. No one has contradicted any of them, though they constitute serious charges—so serious that the silence of those personally concerned is, to say the least, strange.

THE CHARGE, of course, put Elliott Roosevelt in the light of a man who borrowed money easily, who defaulted on his loans and who let his father, who was President of the United States, not only secure the loans but settle them at a ridiculous discount. But far more important than the light it puts Elliott Roosevelt in is the reflection upon his father, the late President. That, so far as the country is concerned, is the really important thing. As matters now stand, Mr. Roosevelt is charged not only with having aided his son to obtain a large sum of money from a wealthy man, who later got into trouble with Mr. Roosevelt's Department of Justice for alleged violation of the anti-trust law, but of having subsequently used his high office to settle this loan at 2 cents on the dollar and other loans along similar lines.

THESE ARE the charges, Mr. Pegler, who makes them in a "sensible" Continued on Page Two

Mrs. V. Palermo Dies; Resided Here 60 Years

A resident of Bristol for 60 years, Mrs. Maria Palermo, wife of Vincenzo Palermo, died at her home, 307 Penn street, last evening. The 66-year-old woman had been ill for some time.

In addition to her husband, Mrs. Palermo leaves a number of grandchildren, and the following daughters and sons: Mrs. Nick Torano, Mrs. William Monaco, Miss Stella Palermo, Ralph, James and Frank Palermo, all of Bristol.

The deceased was a member of the Third Order, and also of Our Lady of Mt. Carmel Society of St. Ann's Church.

Funeral will be held on Saturday at nine a. m. from the late home of the deceased. Solemn Requiem Mass will be said at 10 o'clock in St. Ann's R. C. Church. Burial in St. Mark's Cemetery will be in charge of Vincent D. Galzerano, funeral director.

Major Leonard H. Urback Weds Miss Eva D. Mathis

CORNWELLS HEIGHTS, July 26.—An announcement is made of the marriage of Major Leonard H. Urback, son of Mr. and Mrs. Harry Urback, Cornwells Manor, and Miss Eva D. Mathis, daughter of Mrs. J. Dudley, of Tampa, Fla.

The wedding took place in the chapel at MacDill Field, Tampa, Fla., on July 18th. Major Urback was formerly stationed there. The newlyweds are on a brief wedding trip here, at the conclusion of which they will depart for Corpus Christi, Texas.

Major Urback recently returned home following two years' service in Europe.

PEAKES HAVE SON

Mr. and Mrs. D. C. Peake, Beverly, N. J., are receiving congratulations upon the birth of a son on July 11th. The new arrival weighed 7 pounds, 14½ ounces, and is named Richard Douglas Peake. Mrs. Peake is the former Miss Evelyn Greenwood, of Edgely.

GIRL FOR BROWNS

Mr. and Mrs. Harry C. Brown, Sr., Croydon, are the proud parents of a daughter, born this morning in the Wagner hospital. The baby has been named Charlotte Marie. Mother and baby are doing nicely.

MRS. KRELL ILL

Mrs. Mae Krell, of Fallsington, is a patient in McKinley Hospital, Trenton, N. J. She was removed there yesterday in Bucks County Rescue Squad ambulance.

LABOR LANDSLIDE OUSTS CHURCHILL

Delegation of Major Clement Attlee as Successor is Assured

ANNOUNCEMENT SOON

(By International News Service) LONDON, July 26.—A sensational Labor landslide threw Winston Churchill out of office as Britain's First Minister today and ensured delegation of Major Clement Attlee as his successor.

Four hours in advance of the time expected for a decision, the Conservative party at 4:30 p. m. conceded that Labor had won out overwhelmingly in Britain's first Parliamentary elections in ten years.

At the time the aggregate vote stood as follows: Conservatives, 2,713,460; Labor, 4,114,707; Liberal, 598,731.

Both Churchill and Foreign Secretary Anthony Eden held their own seats in Parliament by virtue of their victory in their own constituencies.

But "Winnie's" immeasurably successful war-time National Coalition Government has virtually ceased to exist. The parties opposing Continued on Page Four

WLB Orders Increase In Penna. Salt Co. Wages

PHILADELPHIA, July 26.—(INS)—The Third Regional War Labor Board today ordered increases of from 5 to 15 cents in hiring rates, with corresponding adjustments for experienced workers, for employees of the Pennsylvania Salt Mfg. Co., at Cornwells Heights.

The Board ordered the boosts based upon a comparison with wage rates of competing firms in the area. The increases affect approximately 120 employees represented by the AFL Union of Operating Engineers, Local 835.

The wage adjustments, payable retroactive to March 11th, increase the common labor hiring rate from 65 cents to 75 cents an hour. After 30 days, the rate is 85 cents an hour, and if merited, at the end of four months becomes 90 cents.

Skilled mechanics, under the WLB directive, begin at \$1 an hour, and advance to \$1.10 at 30 days, and \$1.20 after four months.

Operators, the Board said, shall be hired at 90 cents instead of 80 cents and paid \$1.00 instead of 95 cents after 30 days, and \$1.05 after four months.

The Board also approved the payment by the company of not more than \$3 for damage to work pants, as mutually agreed to by the company and union.

FOOD AND FUEL

The extent to which the American people have surrendered control over their government could hardly be better illustrated than is being done in the fields of food and fuel.

These are two of the bare necessities of life itself. If the Federal program over either of them breaks down the result could easily be, not mere "belt-tightening" hardship, but permanent damage to the health of many of our people, as well as loss of life itself.

How are the decisions in these fields being reached? By means so hidden and so contrary to usual methods of government that no one can give a true answer to the "how."

Certainly the decisions are neither reached nor shared by the American people as a whole.

While the French people are preparing to ballot on the kind of constitution they want, and the British have just completed an election the principal issue of which was whether to undertake a bloodless revolution in their government or continue the old one, our people have no direct say about how much food shall be on their tables next winter, and how much fuel in their furnaces.

Under the constitution, the public's will was to have been expressed, in matters such as these, through Congress. But Congress likewise no longer has control.

In the matter of fuel, the decision is being reached as a result of four forces, none of them too interested in the wishes of or even the welfare of the American people.

The first such factor is the personality of Harold Ickes, who is fighting desperately for a chance to hang on as member of the Truman cabinet. Ickes' principal job is Continued on Page Four

JAPAN STRETCHES OUT OLIVE BRANCH

Appeal Made for A Bargain Peace But Still Refuses To Say Surrender

I PHASE OF WAR OVER

SAN FRANCISCO, July 26.—(INS)—The Tokyo radio stretched out the olive branch today, appealing for a bargain peace, but still refused to say "uncle" to the Allied unconditional surrender formula.

With affected poignancy, evidently engendered by the virtual destruction of Nippon's navy, a Tokyo broadcaster said Japanese "military" leaders would "automatically" call off the war if a "liberal America" were to offer more "lenient" terms.

The Jap radio spokesman even invoked the Atlantic Charter in his plea for a compromise peace—the Continued on Page Four

REFUELS AT SEA FOR "BAPTISM OF FIRE"

Pumping of Lifeblood of Naval Warfare Is Intriguing Operation

PIPELINES TO TANKER

(Note: This is the third in a series of articles describing life and action aboard one vessel in a 3rd Fleet attack on Japan.—INS)

By Julian Hart (U. S. S. Staff Correspondent) ABOARD A LIGHT CRUISER, U. S. 3RD FLEET, Western Pacific—(Delayed)—(INS)—Today we refueled at sea, as amazing and intriguing an operation as the pitching of the "big top" when the circus comes to town. Ropes and lines shot back and forth between our ship and a tanker. Great limp, black pipelines nosed over like street-parade snakes—and really—the ship's band blared away on the fan-tail!

Even the tanker crewmen were a little amazed at that last item, but it was a long-scheduled affair to climax the ship's war bond drive and nothing short of an enemy attack could have kept Lieut. (j. g.) S. A. Park, one-time manager of the University of Michigan band, from getting his musicians together.

Thus we had a perfect microcosm of a world at war. Gun crews were at the alert for possible attack; the oiler was pumping into our fuel tanks the lifeblood of naval warfare, and the boys on the afterdeck Continued on Page Three

CHOOSE MOST POPULAR AT A CANTEN PARTY

Marion Tupper and Joseph Gavin, Jr., Win At Morrisville

GIFTS OF MERCHANTS

MORRISVILLE, July 26.—Miss Marion Tupper, daughter of Mr. and Mrs. Frank Tupper, and Joseph Gavin, Jr., were chosen the most popular girl and boy during a vote among teen-agers at Morrisville Teen Age Canteen this week. The affair was the first anniversary of the canteen.

Runners up in the contest were Miss Betty Gordon, second; and Miss Dorothy Walsh, third; for the girls, while Dave Conover and James Boodley won second and third places, respectively, for the boys.

William Hgwell, chairman of the board, acted as master of ceremonies for the party and presented the winners with a number of gifts donated by various merchants.

David Conover, leader of the boys, presented the canteen adviser, Mrs. John Higgins with a corsage of red roses.

A birthday cake was cut by the contest winners and served to those present. The 6,800th person registered was Bert Pionton, who received a money award.

The canteen, in its short history, has accomplished much in providing a social center for the youth of the borough, and through the cooperation of interested citizens and organizations is continuing on to larger fields.

The idea originated with the Morrisville Women's Democrat Club, who with their president, Mrs. Thomas MacLaren, discussed the project in their club, later meeting with representatives from civic and church organizations. Three weeks from the time of this meeting the canteen was in the community house, the latter place offered by Thomas B. Stockham. Many improvements were made to the auditorium, with a new dance floor and a snack bar. An electric recording machine was donated by Al Levine, and several gifts of money were received. Since that time a large amplifying system has been installed and a new snack bar built by Mr. Howell.

Serving with Mr. Howell on the board are Mrs. MacLaren as vice chairman and treasurer, and Miss Ida Hill, secretary. The canteen committee is headed by Mrs. Richard Landis, assisted by Mrs. Elwood Wahl as vice chairman and assistant.

Boy of 6 Years Succumbs To Illness of 1 Month

MORRISVILLE, July 26.—Joseph F. Marini, six-year-old son of Felice and Adelaida (nee Bernardino) Marini, of Ohio avenue and Post road, died Monday afternoon in St. Francis Hospital, Trenton, N. J., following a month's illness.

Surviving, aside from his parents, are three sisters, Gloria, Rose and Emily Marini.

The funeral will be held at 45 North Pennsylvania avenue, Thursday morning at 10 o'clock. The Rev. William L. Hayes, pastor of Holy Trinity R. C. Church, will conduct services. Interment will be in Holy Trinity Cemetery, Yardley.

Friends may call at the Hooper Funeral Chapel Wednesday evening from seven until nine o'clock.

Ration Values Cut On Beef, Lamb and Veal

WASHINGTON, July 26.—(INS)—OPA Administrator Chester Bowles announced today that ration values for most cuts of beef, lamb and veal will be reduced one to two points per pound for the period beginning July 29th.

Bowles said that civilian meat supplies will increase 11% over June, when stocks reached their lowest level.

Hamburger, porterhouse, T-bone, club and sirloin steaks and lamb and veal loin chops will be reduced two points. Values for boneless rump roasts are cut three points.

Present point values for all cuts of pork, canned fish, fats and oils and dairy products, including creamery butter and margarine, remain unchanged.

PINOCLE PARTY

CORNWELLS MANOR, July 26.—A pinocle party will be conducted at eight o'clock this evening in Union Fire Co. station, here.

ST. FRANCIS TROOP IS GIVEN AWARD

Scouts Open Largest Week Of the Camping Season Last Sunday

OTHER TROOPS THERE

Troop No. 61 of St. Francis Vocational School, William Fryckberg, commander, was awarded the honor troop trophy, which is presented each week by the Order of the Arrow, at Camp Ockanickon, the Bucks County Council Boy Scout camp at Point Pleasant.

With 124 scouts and leaders in camp, the Boy Scout camp opened its largest week of the season on Sunday. Troops at camp are from Morrisville, Perkasie, Doylestown No. 18, Andalusia, Southampton, Cornwells and Sellersville.

At the chapel service on Sunday morning, Paul L. Gruber, of Perkasie, Assistant County Superintendent of Schools, was the speaker. At the vesper service in the afternoon, Rev. Robert Horne of St. Michael's Lutheran Church, Sellersville, was the speaker. The program of the week, which includes the individual troop programs as planned by the leaders, will also include a water carnival on Wednesday evening, which will be presented for the special entertainment of the Doylestown Rotary Club, which will hold its meeting at camp.

At the Saturday evening ceremonial campfire, at which time parents are invited to camp, the Delaware Valley District Board of Review, Fred Maag, chairman, assisted by Harry S. Hoffman, district chairman, and other members of the district, presented a total of 47 merit badges and 22 Second and four First Class certificates. On Saturday of this week, the North Penn Board of Review will hold a session at camp and on Sunday an official inspection of the camp will be made by the camping committee of the council, of which Dr. A. J. Strathie, of Newtown, is chairman.

JOINT SCHOOL BOARD FORMED IN EASTERN BUCKS

Bridgeton-Nockamixon Districts Take Progressive Step In Education

NAME SAME STAFF

Plan To Transport Some Of The Pupils To School

A Bridgeton-Nockamixon Joint School Board was established Monday night in one of the most important and progressive moves in the past decade in northeastern Bucks County. Walter Williamson, of Bridgeton Township, was elected president of the new joint board, which will take on the operation and maintenance of the high school located at Revere. He declared that Bridgeton Township will transport all pupils of the seventh and eighth grades from their three one-room schools, as well as all high school pupils to their new high school. However, all pupils from Bridgeton Township now in other secondary schools will have the choice of remaining in the high schools where they previously had been enrolled. The Bridgeton School directors were anxious to support the joint high school because it will permit youths of the seventh and eighth grades from Bridgeton, who formerly had to attend small rural schools, an opportunity of associating with pupils of their own age and also the choice of broadened curriculum. Some of the new subject, according to Wilford Siyer, the new supervising principal, for the Bridgeton children of the seventh and eighth grades will be practical arts, physical training, art and guidance.

The Bridgeton-Nockamixon high school will be expanded to include new teachers as well as to include pupils of the seventh and eighth grades in the high school organization. State Department officials have assured County Superintendent Charles H. Boehm that the school would be recognized as a six-year high school. Superintendent Boehm assisted in bringing the school boards together and in developing the terms of the joint agreement.

Besides granting the upper Bucks youth wider secondary school opportunities, and a larger high school, the joint board will result in larger state aid to both school districts. It will also help prevent a sharp cut in state aid in 1947. Bridgeton Township acted to close one rural school before fall and to place one teacher on the suspended list, because only three teachers will be needed to provide elementary instruction for the first six grades. The joint board will not have any jurisdiction over the elementary school transportation, or capital outlay connected with the high school.

The joint board elected Wilford Siyer as supervising principal and all of the present teaching and janitor staff of the Nockamixon High School. The board will meet on the second Thursday of each month.

Anthony Rezzonico, veteran secretary of Nockamixon School District and a crusader for better secondary education, was elected for a four-year term as secretary of the new board.

Harold Brown, a well-known civic leader of Bridgeton Township and a staunch advocate for better schools, became the treasurer. He said that he thought that the boards could not afford to delay in trying to work out their problems together.

Nicholas Reitter, for many years an active school director in Nockamixon and president of the Nockamixon Board, was elected vice-president.

"One of the unusual characteristics of the meeting was the unanimity of opinion of all directors present that better school operation could only be offered by joint action of school boards concerned," commented Superintendent Boehm.

The new president, Walter Williamson, remarked that, "Had we had a joint high school in existence before, Bridgeton would not have had so many problems with its youth in the upper grades of the elementary school."

POSTWAR JOB SPREAD

In American thinking, industry has become a symbol for city jobs. Yet not every one works, or can work, in a factory.

So Troy P. Wakefield, personnel manager of the International Harvester Company at Chicago, sounded a timely warning to the conference on the re-employment and education of veterans at Indiana University.

Most people talk of finding jobs for the returning city veterans and displaced workers "in industry," Mr. Wakefield pointed out, and he added, "This is a dangerous error."

"It would be impossible," he continued, "for the factories of the country to employ more than a fraction of these millions of people in the production of peacetime goods. There is nothing to despair of, for if we are to have a healthy postwar economy, the first essential is that workers be properly distributed among the various occupations which make up that economy. Our attention must, therefore, be concentrated upon seeing that after the war the service industries are given every opportunity to expand."

That is a significant point and one which, in itself, should help to restore the economic balance of the nation. During the war the service industries—trade, transportation, communication, the professions, domestic and personal service, and clerical occupations—have been milked of manpower to build up an abnormally large industrial force.

When the war ends, much of this manpower will no longer be needed in the factories but will be required urgently in the service field. Provided, of course, that the service industries are given the opportunity to return to their former status.

In that connection, it is vitally important that business men be able to plan and make commitments. At present, taxes represent both a great hidden cost and a future uncertainty, so there is common sense behind the suggestion made by Senator Taft that Congress write a tax reduction law this year, to be effective in 1947.

LARGE ORANGE CROP

The orange crop in southern California this summer is the largest in the history, according to fruit men. Shortages that have developed in various cities are caused by manpower and transportation difficulties, according to fruit men. Sizes are small, but there is enough of the fruit to keep all markets plentifully supplied all summer, they say.

With the help of nearly 11,000 workers imported from Mexico and Jamaica, fruit is being picked, but a shortage of skilled packing house labor has slowed up grading and packing operations. During the summer months high school and college students and teachers are helping to fill the labor gap.

Shipping embargoes recently in effect prohibited California growers from shipping citrus fruit for days at a time. The embargoes were applied by the Interstate Commerce commission in an attempt to clear western rail yards.

and responsible journalist. The hundreds of papers which have printed the charges are all responsible. If they are not true, then Mr. Pegler and these hundreds of newspapers can separately be called to account under the libel law, sued for heavy damages. If they are not true, then the Roosevelt family can recover a very large sum of money. It could, in addition, clear Elliott's reputation; but what is more important, it could clear that of the late President. Also they could ruin Mr. Pegler not only financially but professionally.

BUT NO MOVE in this direction has come from either family, friends, or political allies. There has been some denunciation of Mr. Pegler and others who have referred to the facts as "ghouls," "Roosevelt haters," "grave desecrators" and "loathsome beasts." But no one has challenged Mr. Pegler's statements or contradicted the charges—literally no one. And no Democrat in Congress or in the Administration has moved for a real investigation, such as one would think Mr. Roosevelt's friends, above all others, would want. Mr. Doughton, of the House Ways and Means Committee, under prodding, has asked the Treasury to look into Elliott Roosevelt's tax returns, but that was weeks ago and no one thinks a report will be made soon.

IF MR. Roosevelt is innocent of committing with his son in this business, it is an outrageous thing to have made the charge, and it is outrageous not to have a full investigation that will clear his name completely. On the other hand, if he was guilty, as President of the United States, of aiding his son to borrow huge sums of money which he could not repay and could only have borrowed because he was his son, and then, as President of the United States, getting a high official of the Government—Mr. Jesse Jones—to use his influence to "settle" these loans, at an absurd rate, then the American people are entitled to all the facts, and it is outrageous to use the death of the President to cover them up. That was not done in the case of Mr. Harding. It should not be done with any President or public official. The people have a right to know what kind of men they really were as contrasted with the kind they pretended to be.

IN THIS CASE, the political opponents of Mr. Roosevelt, still in a minority in Congress, and all executive departments, have clamored for the light. But the political friends of Mr. Roosevelt, still in control of all branches of the Government, appear determined there shall be no light, apparently hoping the whole business soon will be forgotten. But that is not the attitude one would expect from the family and personal friends of the late President—particularly when it is so easy to establish the truth.

Faith Clarke's SHOPPING TIPS FOR BUDGETEERS

INFANTS' FURNITURE. Finding the right cribs, pens, bassinets, and highchairs has been no easy task for young mothers and doting grandmothers.

Now, thank your lucky maternal stars, the Snellenburg Camera Dept. has succeeded in getting quite a collection, despite priorities on materials. See the furniture for yourselves. I was particularly impressed with a \$9.95 highchair of hardwood finished in "honey" or pale birch. These chairs are well designed, with capacious flares, and widespread legs prevent tipping. Each chair has a generous overhead tray, adjustable footrest, and a safety belt. Quite the nicest chair I've seen at \$9.95. Other chairs, some with deep cushioned upholstery of leatherlike material that is washable, priced at \$5.95 to \$24.50. (Chestnut St. Store, 2nd floor.)

BELIEVE IT OR NOT. The Snellenburg Camera Dept. has succeeded in getting a group of S. E. V. Projectors! Those of you who know these Projectors will appreciate what a merchandising achievement this is, in these days of limitations. Those of you not familiar with these fascinating Projectors for showing "still" Kodachrome films, the latter bought or of your own making, should drop into the store and look them over. Imagine being able to see a glowing, colored picture of a friend or loved one thrown upon a screen! The Projectors are priced at \$55. What a birthday gift one would make! Screens at \$2.98 to \$30. Kodachrome films for regular 35 mm. camera, \$2.77 a roll for 18 exposures. Films for black-and-white projecting but 90¢. There's but a very limited supply of the Projectors, so hurry! (1st fl.)

MIRACLE BOXES. They really are—the little "cosmetic" luggage boxes for jars, bottles, gadgets, even overnight nighties. The younger crowd is crazy about them, likes them as birthday gifts. Grand for traveling, to keep things separated. Tweed-like canvas covering, in gray or brown. Oh, yes—a lock on each! A tray inside! Two more uses, for lunchboxes, bathing suits, \$2.25 each, 20% tax. Snellenburgs, Luggage Dept. (1st fl.)

AGAIN! More of those grand twenty-gallon galvanized cans are to be had in the Snellenburg Housefurnishings Dept. Remember them—light-lidded, slide-handled? So many bought them for storage cans, trash, even garbage. They have innumerable uses and have been so hard to find. Each measures 18x25 ins., and costs but \$2.39. Hasten to order yours. (3rd fl.)

PRACTICAL BED-Spreads, and decorative, too, are the "Jaquards" to be had in the Snellenburg Bed Coverings Dept. All are of that soft but firm "woolen" texture which resists musing and stands up under hard wear. Especially nice for "bed sitters" who are allergic to bedroom chairs! Sizes for double beds, being 84x105 inches. Colorfast, in soft blue or rose. All-over floral patterns. Scalloped edges. Suitable for any time of the year. Very easy to launder. \$5.95 each. (2nd fl.)

SWIMMING MADE EASY. Whether you really want to learn swimming or just to float and kick about, you can, with the water-wings to be found in the Snellenburg Sporting Goods Dept. Even the Service boys are being taught with these simple things, and their practice time has been cut no end. Use them for folks seven to seventy! These unusually efficient wings cost but 69¢, are durable, can be deflated and tucked into a pocket. Swim-rings of similar construction at \$1.18. Swim-animals, to ride astride, \$1.95. Collapsible and made of durable cloth. The "wings" uphold from 50 to 200 lbs. in the right level for floating. Thirty-one million have been sold! (3rd fl.)

IT'S NEWS! DU PONT self-cleaning HOUSE PAINT stays white!

Painting is essential today

These days, "make it last" is as important as "make it beautiful." That's why, when you paint, it's a good idea to get the best paint you can buy. Du Pont House Paint, for instance. Du Pont House Paint forms a beautiful, durable film—and guards the surface against rot, rust, decay.

Starts white—stays white

Moreover, Du Pont House Paint contains the whitest pigment known. Titanium dioxide—whiter than snow. So your house will start whitest-of-white, and stay that way. That's because...

It's self-cleaning

All paints collect dirt on exposure. But, with Du Pont House Paint, "self-cleaning" starts after a few months of normal weather conditions. A fine white powder forms on the surface. Heavy rains wash this away, carrying the dirt with it—leaving the newly exposed surface clean and white again! (Unusual climate or dirt-collecting conditions in extremely sooty industrial communities may, of course, delay this process.) Because this "self-cleaning" is gradual, the wearing qualities of the paint film are not abnormally affected.

Despite this remarkable quality of Du Pont House Paint, it costs no more than other good paints.

DU PONT HOUSE PAINT \$3.35
in 5-gallon lots GAL.

► We will be glad to recommend a reliable painter. He knows how to do the job right, how much or how little paint to use. His skill means savings for you—and paint conservation for America.

Working over their money to it. Being was a task which fell province of the First Lieutenant of the ship, Lieut. Com-Walt J. Rountre of Atlanta, the intricate process was lay for him. The junior medical officer, Lieut. der W. F. Queen, of Louisa, plenty of time on his tower, so I went down to conditioned sick bay to finish prescribed shots. and was the cruiser's chief, Commander H. Von A. of Long Beach, Calif. The a slight-statured fellow ages to look so small un-gold-braided cap he's earn-ickname "The Hat." "Hat" discoursed at length Queen's "square-pointed edles," and one which re-has "three prongs, like a and three matching so it can be played like

a cornet. The Doc, however, is anything but malevolent—a round-cheeked, blue-eyed fellow who's been around these parts since Guadalcanal.

The needles were soon ready and the chief had his inning—watching while a couple of the Doc's boys stabbed me in each arm; and with the staff for cholera and the other for plague.

It really was a painless operation—thanks to the skill of the corpsmen who did it: Pharmacist's Mate 1/c E. F. Borre, Jr., of (2201 N. Lamon Ave.) Chicago, Ill., and Pharmacist's Mate 3/c Tom Keller of (1441 Ormand Ave.) Camden, N. J.

Since the fueling, we'd been racing along at a merry clip through the night, part of a bigger force of warships than any of the youngsters aboard had ever seen before. It was pretty plain that big things were in the making.

Seaman 1/c Clarence Stanton, of Syracuse, N. Y., was staring at the vague silhouettes of battleships, airships carriers and the myriad other warships about us. "I'm just glad," he said, "they're on our

side!" Seaman Vincent Peterson of (219 E. Delason) Youngstown, O., came out of a deep reverie to remark: "Tomorrow's my ninth wedding anniversary."

"Years?" I asked in view of his youth. "Naw, months!" he explained. "Gee, if I were back there now, we'd be roller-skating, or dancing."

When I told him I'd been married nearly nine years, he stared at me in the darkness, and said with a note of awe in his voice: "That's a long time!" (Next: The attack.)

WHO SAID THIS?

A QUIZ FOR AMERICANS

Here on this page are the silhouette portraits of eight famous Americans...and eight famous quotations. Can you identify these patriots? To help you, you will find, below each portrait, the period of years in which each man lived and worked to preserve America as a free nation.

WHAT is America? America is the one land in the world where men have unceasingly striven to live up to the belief that "all men are created equal" . . . equal in the sight of God, equal in their freedom to speak, equal in their freedom to worship, equal in their freedom of opportunity.

It is on this belief that America was founded . . . it is in this belief that the Union was preserved . . . it is for this belief that today your son is fighting far from home.

Yet here, behind his back and yours, powerful forces are at work seeking to disrupt the unity of America, seeking to divide America with racial and religious prejudices, seeking to destroy America — and conquer her!

You have heard it, you have seen

it—the attempt to stir-up strife and dissension among Protestant, Catholic and Jew, Negro and White . . . the attempt to assert the superiority of one man over another because of difference in race, color or creed!

Give the traitors the lie! When you hear someone attacked because he has a foreign-sounding name — speak up and tell him that once we were all foreigners here—but now we are Americans! All of us . . . Bill Smith, Jim O'Brien, Sam Levine, Joe Petucci, Serge Leonidoff, Greta Koehler—all of us!

In this time of crisis, when our lives, our fortunes and our honor are at stake, let no one divide us! Let us remember that "in union there is strength!" Let us have faith in ourselves, let us have faith in each other! Let us stay American!—Let us . . .

Be American!

War Mothers of Bristol Unit To Visit Hospitals

Bristol Chapter, American War Mothers, extended birthday greetings to three members at the meeting in Bracken Post Home, Tuesday evening. Those felicitated are: Mrs. Roland Quinn, Mrs. Charles Cooles and Mrs. James Daniels.

The meeting was opened by singing "America" with Mrs. John Fraser at the piano. The picnic, scheduled for July 25th, at Halmerville Park, was postponed due to weather conditions. Three names were added to the list of Silver Star Mothers.

The chapter will visit Valley Forge Hospital on July 30th. Those desiring to make the trip are asked to phone Mrs. Charles Locke, 2552. They will visit the Naval Hospital, Philadelphia, on August 6th.

Prayer was led by Mrs. Roland Quinn. Refreshments of ice cream and cookies were served.

Pimples Disappeared Over Night

Yes, it is true, there is a safe harmless medicated liquid called Kleeerx that dries up pimples over night. Those who followed simple directions and applied Kleeerx upon retiring were amazingly surprised when they found their pimples had disappeared. These users enthusiastically praise Kleeerx and claim they are no longer embarrassed and are now happy with their clear complexions. Don't take our word for it, use Kleeerx tonight. Only 50c. If one application does not satisfy, you get your money back. There is no risk, so do not hesitate. Sold and recommended by

BACKACHE, LEG PAINS MAY BE DANGER SIGN

Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

BLACK DEFEATS PRISON OFFICERS BY 7 TO 3 SCORE

Veteran Pitcher Evens Things Up for Defeat He Suffered Previously

ERRORS LOST GAME

Black Made Three Errors and Dick a Pair of Miscues

Several weeks ago, "Howie" Black, veteran Lower Bucks County moundsman, pitched against the Prison Officers and received a lambasting and a defeat.

Last evening the Prison Officers came to Leedom's field and Black requested an opportunity of again hurrying against the Guards. This time, however, the visitors found Black practically invincible as he pitched the Voltz-Texaco team to a 7-3 triumph in a Trenton Industrial League game.

Only the fact that Black committed three errors in attempting to catch runners off base, and that his mate, "Johnny" Dick, had a pair of miscues, marred Black's pitching performance as he scattered nine Guards' hits. Three of the nine hits came in the final inning when the visitors scored two of their three runs.

Dave Freeman pitched for the invaders and had difficulty in getting past both "Shine" Angelini and Jack Broderick. Angelini had a single, double and triple, while Broderick connected for three hits and reached base the fourth time on an error.

The Voltzmen put the game away in the last half of the sixth when a quartet of tallies were made on a double by David, his second of the game, a fielder's choice, an error by Sabo, a single by Rockhill, Angelini's triple, Kish's error, and a hit by Johnny Dick.

The Voltz team will meet the Fleetwings Arrows tomorrow evening in a league game on Leedom's field. It has been announced that "Gib" Fine will oppose "Al" Carey on the mound.

KERVICK PITCHES NO-HIT, NO-RUN GAME

"Tommy" Kervick entered the mythical hall of fame last evening as he hurled the Croydon Y. M. A. to a no-run, no-hit game over the Bristol Township Junior High School team on the latter's diamond. Final score was 5-0.

Kervick had little difficulty in setting down the Township team inning after inning and there wasn't even the slightest resemblance of a base blow in the seven frames.

Leighton, the losing pitcher, also

did well in holding the Y. M. A. team to five safe baggies.

ARROWS LOSE TO AMERICAN STEEL

TRENTON, July 26.—The American Steel team did all its scoring in two innings last evening on Wetzel field as they won over the Fleetwings Arrows, 7-1, and made that nine take a dip towards the cellar of the Trenton Industrial League.

A triple from the bat of Grafstein with the bags loaded in the last half of the seventh inning spelled the doom of the Bristol team. Kelly had singled, Kuzma walked and Gamble was given an intentional pass to load the bags. It was Moé Coffee's turn to bat but Grafstein was sent in to hit for him, and he cleaned the bags and later scored himself on Plunkett's hit.

Manager Johnny Mulholland, of the Arrows, started Jack Shaffe on the mound, but he went out in the second when the Steelers connected for four hits. Benny Bintliffe relieved him and pitched well until the uprising in the seventh.

The Arrows' lone marker came in the fifth on Walsh's hit, Dawson's single, Bintliffe's sacrifice, and a hit by Tosti.

WAKE UP YOUR DIGESTION BELOW THE BELT

Without Stomach Relievers

To Get Happy Relief from Gassy, Bloating, Tight-around-the-Waist Misery You May Need This Kind of Laxative Help

When most food leaves the stomach, it is by no means fully digested. It is in the 12 feet, or more, of intestine, that the greater part of digestion is done. Among the vital digestive juices that work in the intestine, the liver bile is one of the most important—especially vital to the digestion of fats. Unless the liver bile flows abundantly, digestion of fats slows down. Food decays in bowels. You may get constipated and feel full of gassy, bloated, indigestion misery. That's when you need Beaschams Pills. They help get the bile juices flowing freely, which helps you digest and eliminate in Nature's happy way. Ask your druggist for gentle, all-vegetable Beaschams Pills today. Caution: Use only as directed. 25¢.

Mama Excels in Field and Drives Three Runs Across Plate

LOSERS HAD 2-1 LEAD

Harriman Team Scored Five Times in the Second Inning

The Edgeley A. C. stock of finishing in first place in the Bristol Youth League took a downward look last evening as the Edgeleyites were beaten by the Harriman A. C., 7-4, on the Maple Beach field.

Johnny Mama excelled in the field for the sixth ward outfit and also drove three runs across the plate.

The Harriman team iced the

game in the second inning by scoring five times off the pitching of "Clint" Hartley. Prior to that the Edgeleyites had taken a 2-1 lead off "Tohy" Oriola.
